DEWAN OF MYSORE

(13)
Tot P: 1-3

Camp Devarayday:
16th Sep. 1918

Your Highness,

I came to Devarayday on the 13th inst. to work up Dasara subjects as usual and am returning to Bangalore this evening. I am in a position to report the cheerful news today that we are having some heavy rain and there is promise of more.

There was some little agitation and unrest in Bangalore & Mysore on account of a sudden rise of price

following the riots in
Madras but so far nothing
untoward has happened.

We have opened a grain
depot at Government expense in
Bangalore and another is about
to be opened in Mysore if
required – Mr P. Raghavendra
Rao has gone there for the pur-
pose.

Sir C. Sivaswamy Iyer has
written to say that he has heard
from your Highness and he would
be sending some necessary materials
for Your Highness' Speech.

Their Highnesses the Maharani C.I.
the Yuvaraja & other members of the Royal
Family are now in Ootacamund.

I beg to remain,
Your Highness's devoted & humble servant,
M. Vijayaraga.
